F. S. Co

SUBJECT.

1930

22nd July

Previous Paper.

F. S. Co requests permission to take Electric cables from their plant across Public Roads

MINUTES.

① Letter from Manager. F. S. Co 24/7/30

~~Hon. Gen. Eng.~~
Electrician in Charge
(W. S. E. Front)

For your remarks here

please.

July

23. 7. 30.

Subsequent Paper.

Hon. Col. Sec.

I see no objection at the present time, but in view of the possible extension of electric lighting in Stanley.

I submit that wherever possible every endeavour should be made to place the cables under the roads, otherwise in a few years time the many overhead wires will become a public danger, apart from their unsightliness

C. Roberts

Electrician in Charge

To you accordingly

C. R.

24.7.30

Hon. Col. Sec.

In view of the possible extension of the gas lighting I think that underground cables would certainly be best, but I see no objection to the F.I.C. erecting temporary overhead cables, as long as they guarantee to change over to underground system as soon as possible

From C.S.

~~Does not want to take the~~
yes, they may be taken under
the roads but on no account
over. I believe Estate Louis
Williams have an over-head
cable? This presumably should be
put under the road. For re-
port, please.

Report regarding the Estate

Louis Williams cable.

Hon Col Sec

J. W. M. G.

28.7.30.

Re cable of Estate Louis Williams, am in agreement with remarks in Hon Col Engineers letter below. noted thank you J. W. M. G.

Hon. Col. Sec.

There are two overhead cables at Estate Louis Williams, one on Philomet St and one on John St. They were put up during Capt Ketherwater's time. I have no doubt that he was consulted on the matter, you will no doubt recollect that he was all in favour of the overhead system, so much so that he had a scheme for wiring all Stanley by this system.

I submit that these cables might remain, but we should not allow any others to be put up

Inside Minute Paper.

Sheet No. 3

y. p. Schmitt. He has
 existing overhead cables may
 remain in the circles but
 any ~~any~~ new cables should be
 laid underground.

The Falkland Islands Company, Limited.

(INCORPORATED BY ROYAL CHARTER 1851.)

REGISTERED 1902.

Stanley.

AGENT FOR LLOYDS.

AGENTS FOR
THE PACIFIC STEAM NAVIGATION COMPANY.

TELEGRAMS, FLEETWING PORT STANLEY, & RADIO.

22nd July, 1930.

Sir,

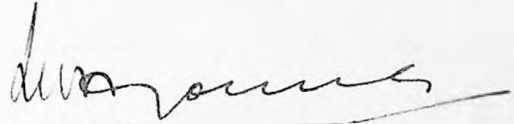

I have the honour to apply for permission to take electric cables from the Company's plant across the public roads in two places, should I decide to connect up any of the Company's houses nearby.

The cables would be of adequate strength and taken across at the same level as the telephone lines.

I am,

Sir,

your obedient servant,

Manager.

The Honourable

The Colonial Secretary.

Stanley.

326/30.

28th July,

30.

Sir,

In reply to your letter of the 22nd of July, 1930, and with reference to our telephone conversation of the 26th of July, 1930, I am directed to inform you that there will be no objection to your passing electric cables under the public roads in Stanley in two places for the purpose stated provided that the cables are so passed to the satisfaction of the Colonial Engineer and the Electrician-in-Charge.

I am,

Sir,

Your obedient servant,

Colonial Secretary.

The Manager,
The Falkland Islands Company, Ltd.,
STANLEY.
