Sir,

I am shipping today per the S/S "Falkland" the timber ordered in letter No 433/24 of the 27th of June last, and sixty three sacks of Oats containing 5040 kilos.

I am writing to the Falkland Islands Company asking them to deliver to you the 400 Cypress posts ordered as I have had to place all the posts on their B/Lading, I could not obtain any good round posts, so had to send you the squared, I hope this will make no difference.

I am enclosing ^{and accounts} B/Lading for the timber and oats, you will note that the timber is much cheaper than your estimate.

Kindly pay the amount of invoice into my account at the Falkland Islands Co as usual, trusting all will arrive in good condition

I am, Sir,

Your obedient servant,

Ernest W Hobbs
