PROGRAMME OF PUBLIC WORKS FOR 1925.

MINUTES.

*Minutes from Col Engineer of 2nd January 1925 — Programme of Works*

*U.P.*

*U.P.*

*Submitted.*

*The urgent work of getting the Public Works Stores properly to be taken up without delay. The unallocated Stores material cannot possibly be handled properly until this has been done. The work at the school other than repairs is not urgent; it is a matter of convenience that it should be carried out now.*

*2. The section of the Drill Hall can be set down for June - September?*

*U.P. 12/Jan 25*

Subsequent Paper.

*U.P. 4/26*

H.P.S.

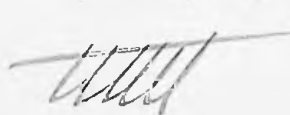

The fitting of P.W. Stone should take precedence  
of all other work undertaken by Carpenter. I have  
not yet seen the plans for this work & if it is  
possible pending their consideration & approval the  
windows, <sup>frames</sup> for Infants school can be fixed.

2. Building of program tank in East main paddock  
should not be undertaken until plans have been  
considered & approved.

3. Subject to above the P.W. programme is approved.
